

# “BINGO”

**Bingo the mini horse just arrived at Happy Trails on Sunday, June 28th.**

He is 10 years old and blind in one eye. Bingo is a real sweetheart, and simply a love to be around. He thrives on attention and gets along fantastic with the other horses. We simply can't say enough great things about this wonderful boy!

Just to give you an idea of his size, here is Bingo (below left) in a paddock with Houston, a small Arabian gelding. We don't know much about Bingo's background, such as if he had ever been trained to ride or drive, but he is incredibly sweet and will make a great family pet or a great companion for some lucky horse! Adoption Fee: \$150.
